

Cellar light, oval light, ship fitting, the classic IP44 damp-proof light has many names. For us, it is simply called SYRMA. The series includes surface-mounted lamps for surface mounting on walls and ceilings and is available in oval or round designs, each in the colours white, grey and black. Thanks to its IP44 design, the SYRMA is suitable for demanding use in damp areas and is also a true design classic that forever imparts a certain peace of mind with its striking housing.

#### Special features

- Exchangeable lamp (E27)
- Protected against splash water
- Glass pane

<b>Housing Material</b>	Plastic
<b>Housing Color</b>	Black
<b>Material of Lens</b>	Glass
<b>Protection Class</b>	Protection class I/protective grounding
<b>max. Power</b>	1x max. 100 W
<b>Rated Input Voltage min./max.</b>	220-240 V/AC 50 / 60 Hz
<b>Frequency</b>	
<b>Socket Description</b>	E27
<b>Socket Quantity</b>	1
<b>Connection Type</b>	Clamp
<b>Control</b>	dimnable via optional light source
<b>Motion Detector</b>	No
<b>Execution</b>	Without lamp
<b>Light Exit Surfaces</b>	1
<b>Light characteristics</b>	Direct
<b>Light direction</b>	Side
<b>Height</b>	105 mm
<b>Diameter</b>	210 mm
<b>Product weight</b>	750 g
<b>IP Protection Class</b>	IP 44
