

Art. no. 732126

Spotlight with ground spike Lomi, 1x max. 7 W GU10,  
black

#### Special features

- Exchangeable lamp GU10 (retrofit)
- Including 2 m connecting cable with IP44 plug
- Including ground spike

Housing Material	Aluminium
Housing Color	Black
Material of Lens	Glass
Protection Class	Protection class II/protective insulation
max. Power	1x max. 7 W
Rated Input Voltage min./max.	220-240 V/AC 50 / 60 Hz
Frequency	
Socket Description	GU10
Socket Quantity	1
Connection Cable Primary	Yes
Primary Connection	Power plug
Primary Cable Length	2 m
Control	dimmable via optional light source
Motion Detector	No

Execution Without lamp

Swivel Angle 200 Degree  
Light Exit Surfaces 1  
Light characteristics Direct  
Light direction Top

Depth 95 mm  
Diameter 100 mm  
Product weight 573.6 g

Working Temperature -30 to 60 °C  
Storage Temperature -40 to 85 °C  
IP Protection Class Lamp IP 65  
IP Protection Class Plug IP 44
